EXTENDED NETWORK, CLEARER AUDIO THE TLK 110

With high-quality audio features and WAVE PTX nationwide coverage, the TLK 110 lets you confidently communicate with clarity. Using AI-based noise suppression, the radio's wideband speaker delivers intelligible audio for unrestricted communication.

ARTIFICIALLY INTELLIGENT NOISE SUPPRESSION

The TLK 110 uses AI-based noise suppression to eliminate background noise in loud or busy environments. Its microphone filters speech and simultaneously reduces unwanted background noise.

INTELLIGENT VOX PTT*

Communicate when a radio is hard to reach, hands are full or a user is driving with the TLK 110's Intelligent Voice Operating Transmission feature. The TLK 110's VOX functionality is **only** activated by **voice**, so you can still use it in loud environments.

*Feature only enabled with VOX capable wired earpiece
